## Bring Your Own Device (B.Y.O.D.)

### B.Y.O.D. is...

- 👍 **An *educational* tool (ie. projects, research, etc.).**
- 👍 **Used only with teacher permission and teacher supervision.**
- 👍 **To be used inside the classroom, and for educational purposes.**
- 👍 **Used in accordance to the **COVID Health & Safety protocols, Student Code of Conduct, and TVDSB's IT policy.****

### B.Y.O.D. is not...

- 👎 **A home/school communication tool for parents and children during the day.**
- 👎 **Used at the student's discretion.**
- 👎 **Using devices during recess (indoor or outdoor), in the hallway, and/or in washrooms.**
- 👎 **A device that is shared between students.**

### All devices and peripherals should:

- ✅ **Be labelled with student first and last name**
- ✅ **Be stored securely in the classroom when not in use**

*Individual classrooms will decide on proper storage locations for personal electronic devices.*

### Improper Use of Personal Electronic Devices

Inappropriate use of Personal Electronic Devices may result in:

- ✅ **Disciplinary action.**
- ✅ **First removal of the device - given to the school administrator for student pick up at the end of the school day.**
- ✅ **Second removal of the device - given to the school administrator for parent pick up at the end of the school day.**
