Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on building a sense of belonging and shared community norms.

We are doing this to improve student well-being by creating common expectations that celebrate and reinforce a positive school climate.

Throughout the year, we will be:

1. Reinforcing our school F.I.R.E motto (friendship, integrity, respect, excellence) through daily announcements and special events.
2. Celebrating and highlighting school and individual successes that connect to our motto.
3. Creating, introducing and reviewing our school wide code of conduct.

Community/Home Connections
